Dear Harold,

We were glad to hear that there is a possibility you can come up to visit your mother and also go to the reunion. When that possibility becomes a reality, please mail your reservation to us or al Balfour, and advise us of your mother's address and telephone number.

Among those who have already made their reservation are Bill Wetherell, Bob & Dorothy Baughman Costa, Betty Manchester, Edith Steelman, Jake Fried, Marge Kennedy Loven, Rosemary Marcus Berg, C. B. Robinson Jr.; Ed Beacom, Donald Darrell, Madeline Berg Lillard, Jack Hartland (from the West Coast!), [redacted], Francis Midlam Kennedy and Marjorie McElroy Owens. You'll probably also remember many from the June class.

Not able to make it are D. Hal Fisher, Hubby Erisman and Bob Boyer.

Was interested in your comments on the Warren commission. I've often wondered if ~~it was~~ the assassination ~~was~~ a result of our backstage attempts to kill Castro.

Hope to see you at the reunion. If you can make it, Liz and I will pick you up. Is your condition such that you need the whole backseat for comfort, or can you share it with one other?

Best regards,

Jim
